April 22, 2020

Staff	9am	10am	11am	12pm	1pm	2pm
Daniel tester						
Appt Holder	Johnst... 09:00 AM - 3 (BOOK) Phone ...					
Erick Gomez						
Alejandro Dipso						
Dr. Lou Tabanao						
Uma Basavaraju						

When I make a second appt. the info in the Appt Holder box disappears and the vertical spacing for the second appointment is lost.

New Item for this calendar..

1. We want make the overbooking number selectable. For this example there is one appointment out of 3 overbooking slots. We just want to click on the 3 and be able to select a new number. Up to 99 total. Maybe just a pull down or whatever you suggest.
2. The word book we want to be a link mimicking the same action as clicking on the 9 am box.
